

"Back to school?"

Importance of training and what
is available?

Deaf Umbrella®
We've got you covered

"... society in miniature, a model of the social system. In school, the child must interact with other members of the school community in terms of a fixed set of rules. This experience prepares him or her for interacting with members of society as a whole in terms of society's rules."
(Harolambos et al, 1991, pg. 230)

Creating students ready for life:

Communication with
others

Interaction with
others

Self reliance

Consequences for
actions

What is reflection and how can it help?
